To whom it may concern:

Mattawa Community Medical Clinic has been doing business with Washington Casualty Company since 2005. I confirm that I have known Sandy Brecker as Office Manager and Mike Rutz as Vice President of Marketing from Washington Casualty Company since January 2008. During which time Washington Casualty has provided our business with excellent support in the areas of on site training and webinars. Both Mike and Sandy have always made themselves available to myself or my administrative assistant, Inez Cruz to answer any questions we may have in a timely manner. Mike and Sandy continue to work diligently to insure that they are providing our facility with quality coverage for a reasonable fee.

I can confidently recommend Sandy and Mike from Washington Casualty as reliable and experts in their field.

I am happy to provide further information if required.

Yours faithfully,

Dana Fox, CMA  
Clinic Manager
